## *Memorial Garden*

*Jesus said... "I am the resurrection and the life. Those who believe in me, even though they die, will live forever."*

John 11:25

Within steps of our church is a beautiful memorial wall and garden. Having a memorial space is an ancient Christian tradition of providing a resting place for the sacred remains of our loved ones. The space is a peaceful place for contemplation and renewal for the living and is a tangible reminder of the communion of saints both living and departed.

- ✦ This is a memorial garden created for members of Saint Andrew's Lutheran Church.
- ✦ The columbarium wall has 168 niches for urns.
- ✦ The cenotaph wall can accommodate 32 engravings (for those wanting to remember a loved one but not place remains within).
- ✦ If using a personal urn, the funeral director will need to know that the niche dimensions are 9 1/4" wide by 9 1/4" tall by 11" deep and will hold either one or two urns.
- ✦ You pay a one-time fee; no ongoing costs.
- ✦ Please review the Memorial Garden Agreement, which outlines regulations, conditions and columbarium procedures, prior to purchasing. These are the terms of purchase.
