

Saint Andrew's:  
 Growing Together in Christ  
 To Love and Serve All People

— Saint Andrew's Mission —

Your financial giving through Saint Andrew's supports ministries that nourish our own faith formation and practice, and enrich our lives and our community at large as we also reach out in caring and concrete ways.

Our financial gifts fund everything from our Discipleship Ministries (children, youth and adults) and our inspiring Music Ministry to the work of Lutheran World Relief for refugees throughout the world.

Our giving also helps to keep our building in good shape so it will continue to be a safe, inviting gathering place for our congregation and for a variety of ministries that serve our community. For more information, please contact any member of the Saint Andrew's Congregation Council.

---

Dear Friends in Christ,

Stewardship is our grateful response to God's grace and goodness. All we have – including our gifts, abilities and financial resources – are gifts from God. Even our ability to work and care for others is a gift. In sharing with others we discover that we are ***Blessed To Serve***.

### *Generous Hearts*

God gives us everything we need, offers us forgiveness of sin, and promises us new life. We respond to God's graciousness with thankful and generous hearts.

### *Generous Hands*

As we put our hands to work in ministry through Saint Andrew's we reach out to the community and world, and we discover that we are blessed by serving.

### *Generous Habits*

One concrete way we respond to God's love is to make a habit of being generous in our financial support for God's work through the ministries of Saint Andrew's.

Let us celebrate how we are **blessed to serve with generous hearts, hands, and habits.**
